RESOLUTION**

INTERTRIBAL SUMMIT XVII RESOLUTION NO. 9-13-10

Resolution Entitled: Support for preservation of the Killdeer Mountains Civil War Battlefield at which an undetermined number of Lakota men, women and children were killed on July 28, 1864

- WHEREAS,** United Tribes of North Dakota ("United Tribes") is an association of the five federally recognized Tribes located in North Dakota, each of which has a government-to-government relationship with the United States established by Treaty, including the Three Affiliated Tribes, the Sisseton Wahpeton Oyaté, the Standing Rock Sioux Tribe, the Spirit Lake Tribe and the Turtle Mountain Band of Chippewa, with a Board of Directors composed of the Chairman and one council member from each member Tribe; and
- WHEREAS,** United Tribes exists to assist in furthering the common goals of the North Dakota Indian Tribes and Nations; and
- WHEREAS,** On September 4-6, 2013, the Tribal Chairmen and the Tribal Council representatives from the five Tribal Nations that are members of United Tribes of North Dakota, along with other Tribal leaders from the upper Great Plains, have been meeting at the Seventeenth Annual InterTribal Summit, the theme of which has been "United Tribal Nations: Renewing the Promise of Tomorrow", discussing issues of great importance to the Indian Tribal Nations of North Dakota and their members; and
- WHEREAS,** the history of the Native Nations is filled with places of overwhelming sacred and cultural significance, with many places being identified only by a few persons, including places of overwhelming grief and tragedy; and
- WHEREAS,** one such place that was sacred before the tragedy that befell the several thousand Teton Native Americans encamped there in the summer of 1864 is within what is now known as the Killdeer Mountains near the Badlands of western North Dakota; and
- WHEREAS,** on July 28, 1864, a peaceful encampment of Teton Native Americans (known as part of the Sioux Nation) was present at a site sacred to them in the Killdeer Mountains, a site also sacred to the Mandan, Hidatsa and Arikara Nation (the Three Affiliated Tribes); and
- WHEREAS,** the encampment was routed by the U.S. military, and an undetermined number

of Native American men, women and children were killed, accompanied by the destruction of between 1,600 and 1,800 lodges they occupied, by a force commanded by U.S Army General Sully as a part of a continuing effort by the U.S. military to stamp out all resistance by Native Americans to U.S. domination of Indian country in Minnesota, Dakota Territory and further west; an effort which would now be called a war of genocide; and

WHEREAS, the Tetons that managed to escape the horrors of the so-called "Battle" in the Killdeer Mountains in Dakota Territory were unable to ever give their relatives the appropriate burial ceremonies, with many bodies being buried in a long line along the hills where they were killed; and

WHEREAS, at this site, a company that sells electricity to persons in the region wishes to place a part of a transmission line and possibly other facilities that could potentially disturb the remains of those killed at the site, as well as disturb the battlefield in general; and

WHEREAS, the battlefield site is owned by private landowners and the state and federal government have relatively little authority to protect the site; and

WHEREAS, a hearing has recently been held (in early September, 2013) before the North Dakota Public Service Commission regarding whether the electric power company will be permitted to place its facilities at the battlefield site, including part of a 200 mile transmission line being built to serve the oil fields to the north and west of the site, and has already indicated that at least one piece of equipment scheduled to be on that site will be placed elsewhere; and

WHEREAS, the Public Service Commission will be making its decision about placement of the transmission line proposed by the electric company in a few months.

NOW THEREFORE BE IT RESOLVED that United Tribes of North Dakota hereby opposes further development that would disturb the Killdeer Mountains Battlefield site or that would disturb the remains of the many Teton Native Americans killed at the site; and

BE IT FURTHER RESOLVED that United Tribes of North Dakota hereby urges the President of United Tribes to take such steps as are necessary to deliver this message of opposition to further development at the Killdeer Mountain Battlefield Site as quickly as possible to the North Dakota Public Service Commission and to any other entities or persons with authority over this matter; and

BE IT FINALLY RESOLVED that this resolution shall be the policy of United Tribes of North Dakota until it is withdrawn or modified by subsequent resolution.
