Statement from Chairman Dave Archambault II regarding the Cooperative Agreement between the Standing Rock Sioux Tribe and the Land Buy Back Program for Tribal Nations.

"The Standing Rock Sioux Tribe is pleased that a Cooperative Agreement with the Land Buy Back Program for Tribal Nations has been approved and the Tribe will provide Outreach services for the Land Buy Back Program.

The Tribe has been providing land consolidation services to reduce fractionation for many years, either through exchange or purchase of fractionated interests; the Land Buy Back Program will help the Tribe with these efforts by providing the funding necessary to further complete the Tribes and Land Buy Back Program objectives in reducing the fractionation of Indian lands.

The acquisition of these fractionated interests will provide the Tribe with increased land base that may be utilized for purposes such as housing areas for Tribal members.

The Tribe looks forward to working with the Land Buy Back Program for Tribal Nations."
