Title: Wild Exotic Bird Import Application.

OMB Approval Number: 1018-0084.

Abstract: The Wild Bird Conservation Act of 1992 (WBCA) authorizes the Service to issue permits for the importation of individual exotic birds from otherwise prohibited species for the following purposes (after a finding that such imports are not detrimental to the species' survival): scientific research; personally owned pets of individuals returning to the United States after being out of the country for a least one year; zoological breeding or display programs; and cooperative breeding programs designed to promote the conservation of the species in the wild, that are developed and administered by organizations meeting certain standards. The information required on the application is used by the Service to determine if an applicant should be granted a permit to import an exotic bird under the provisions of the WBCA. This proposed amendment will change this requirement by providing for applications that will be submitted by foreign governments and foreign breeding facilities, in accordance with recently enacted regulations to implement the WBCA. This proposed amendment does not affect existing information collection requirements for scientific research, personal pets, zoological breeding or display, or cooperative breeding, in any way.

Bureau of Indian Affairs**Supplemental Final Determination for
Federal Acknowledgment of the
Samish Tribal Organization as an
Indian Tribe**

AGENCY: Bureau of Indian Affairs,
Interior.

ACTION: Supplemental Notice of Final
Determination.

SUMMARY: The Assistant Secretary—Indian Affairs has determined that the Samish Tribal Organization (STO) exists as an Indian tribe within the meaning of Federal law pursuant to the acknowledgment regulations, 25 CFR Part 83, that became effective October 2, 1978. The Secretary has directed that the determination be made final and effective immediately.

DATES: This supplemental notice of determination is final and effective immediately.

FOR FURTHER INFORMATION CONTACT: Office of the Assistant Secretary—Indian Affairs, (202) 208-7163.

SUPPLEMENTARY INFORMATION: This notice is published in the exercise of authority delegated by the Secretary of the Interior to the Assistant Secretary—Indian Affairs by 209 DM 8.

On March 29, 1996, the Assistant Secretary—Indian Affairs issued a notice of her determination pursuant to 25 CFR Part 83 that the Samish Tribal Organization existed as an Indian tribe. The notice instructed the Director, Portland Area Office, Bureau of Indian

Affairs, to verify the membership list and to develop with the tribe a plan and budget for the implementation of the Assistant Secretary's decision and the provision of services to the members of the Samish Tribal Organization. The notice was published in the Federal Register on April 9, 1996 (61 FR 15825).

The notice indicated that two tribes had requested that the Secretary direct the Assistant Secretary to reconsider her decision and that the Secretary was considering whether he had authority to direct the Assistant Secretary to reconsider and, if he had that authority, whether he should direct her to reconsider. The notice also indicated that the Samish Tribal Organization has not requested administrative reconsideration of the Assistant Secretary's determination to acknowledge its existence as an Indian tribe but had filed suit seeking to require a reinstatement verbatim of the Administrative Law Judge's recommended decision and findings of fact. Lastly, the notice stated that the determination would be effective 60 days after the date on which the notice appeared in the Federal Register, or June 8, unless the Secretary of the Interior requested a reconsideration by the Assistant Secretary—Indian Affairs pursuant to 25 CFR § 83.10(a)-(c).

On April 26, 1996, the Secretary responded in writing to the two requests for reconsideration. He concluded that there were significant questions as to his authority to grant the requests because of the unique terms and circumstances of the remand from the District Court which governed the Assistant Secretary's determination. The Secretary noted that, in accordance with the district court's remand to the Department, the Assistant Secretary's determination did not resolve the nature and extent of the treaty rights, if any, of the Samish Tribal Organization so the treaty rights of the tribes requesting reconsideration were not affected by the determination. The Secretary concluded that the Assistant Secretary's determination should be deemed final agency action and effective April 26, 1996. Accordingly, he directed that this notice be published.

Dated: May 20, 1996.

Ada E. Deer,

Assistant Secretary—Indian Affairs.

OMB approval number: 1004-0169.

Abstract: The Bureau of Land Management is proposing to renew the approval of an information collection for a new rule at 43 CFR 3715. That rule will manage use and occupancy on unpatented mining claims. It sets out the restrictions on use and occupancy of unpatented mining claims and mill sites on Federal lands and to provide field managers with the tools necessary to manage occupancy and use. The final rule would define those activities that are related to prospecting, mining, or processing operations and uses reasonably incident thereto. The rule would establish conditions for determining whether these criteria are met, procedures for initiation of occupancy, standards for the use or occupancy, prohibited acts, procedures for inspection and enforcement, and procedures for recognizing and managing existing occupancies. It would also provide for penalties and appeals procedures. The rules only apply to public land under the administration of the Bureau of Land Management.
