CERF and CERA'S Mission Statement

***Federal Indian Policy is unaccountable, destructive,
racist and unconstitutional. It is therefore CERA's
mission to ensure the equal protection of the law as
guaranteed to all citizens by the Constitution of the
United States of America.***

William B. Allen, Ph.D.

Professor William B. Allen, a professor of Political Philosophy at Michigan State University currently on leave as the Ann & Herbert W. Vaughan Visiting Fellow in the James Madison Program on American Ideals and Institutions at Princeton, is an expert on liberal arts education, its history, importance and problems. He is also Chairman and co-founder of Toward A Fair Michigan, whose mission is to further understanding of the equal opportunity issues involved in guaranteeing civil rights for all citizens, and to provide a civic forum for a fair and open exchange of views on the question of affirmative action. He served previously on the National Council for the Humanities and as Chairman and Member of the United States Commission on Civil Rights. He has published extensively, most notably, *George Washington: A Collection*. His *Re-Thinking Uncle Tom: The Political Philosophy of H. B. Stowe*, should appear in the coming year, as also *George Washington: American-General-Thinker-President-Believer-Slaveholder-Founder-Statesman*. He previously published *Habits of Mind: Fostering Access and Excellence in Higher Education* (with Carol M. Allen

John Warren Kindt, MBA, J.D., LL.M., SJD.

Professor Kindt is a professor of economics at the University of Illinois, having received a B.A. in Business from William and Mary in 1972, followed by several graduate degrees in Law and Business, specifically, J.d. 1976, MBA 1977, from the University of Georgia; LL.M. 1978, SJD 1981 from the University of Virginia. During the 1970s Professor Kindt was employed in several state and federal government positions. He also served as a Senior Fellow at the London School of Economics. More recently, by combining his expertise in economics and law, with a dedication to societal improvements, Dr. Kindt has provided invaluable data to inform the general public with well-sourced and irrefutable statistics on the socio-economic impacts of gambling. Professor Kindt's research has resulted in over 30 articles in the areas of legalized gambling economic impacts, antitrust law, tax law, commercial law, environmental law, and public and private international law. In addition to research, Dr. Kindt has traveled upon request to provide keynote addresses and community education workshops from coast to coast. Dr. Kindt's journal and other articles about gambling impacts can be downloaded free at: www.ncalg.org and at www.family.org/gamblingresearch

Lana Marcussen - Saucerman, Esq.

Lana Marcussen, was born in 1960 in Maryland and raised in Sunnyvale, California. She graduated from UC Davis with a double major in Political Science and Spanish Literature in 1982. She worked for Senator Alfred Alquist in California with the Senate Finance Committee prior to entering law school. In 1991 she entered the University of New Mexico Law school. While a student at UNM law school she authored a new federalism argument that was used successfully against the waste isolation pilot project in New Mexico. (WIPP)

Lana is an attorney specializing in water and Federal Indian Law. She currently resides in Phoenix, Arizona with her husband Ben Saucerman.

Dr. Lloyd W. Mitchell, Ph.D.; M.P.H.; R.S.

Dr. Lloyd Mitchell holds advanced degrees in space studies, public health, and cultural geology and undergraduate degrees in and urban planning, geology, general biology, and community services. He is currently an assistant professor at Elizabeth City State University in North Carolina where he combines teaching, research, and service in the geosciences and public health with special focus on cultural geology, geological hazard planning, bioterrorism, and health conditions and diseases related to soil or rock. Dr. Mitchell also has collaborated with the Department of Homeland Security (DHS) on several projects related to challenges and issues involving American Indians and tribal entities. In 2005 and again in 2006, Dr. Mitchell was awarded one of the prestigious Faculty-Student Research Grants from DHS to research Homeland Security challenges related to American Indian Reservations. Dr. Mitchell has consulted with or lived, worked, and taught on American Indian reservations including the Oneida Tribe of Indians of Wisconsin, Navajo Nation, the Confederated Tribes of Grand Ronde, and the Puyallup Tribe of Indians.
