Re: Tribal Member has tested positive COVID-19

I was informed yesterday that we have a Tribal member confirmed positive for COVID-19. This Tribal member lives in Albuquerque, however was here visiting in the past couple of weeks. The two cases we have here on our lands 1) New Moon and 2) this case, are the result of people coming here from other places. Please tell family and friends to stay at their place of residence until this passes. It's the reason for the Stay at Home Order.

I have received numerous calls about updates and not getting notice, due to the nature of this crisis I cannot distribute notices or announcements to the homes. I need you to check our web page "Ohkay.org" and pass the word.

Thank You
